Research Institute for Quality of Life  
Romanian Academy  
16 October 2023

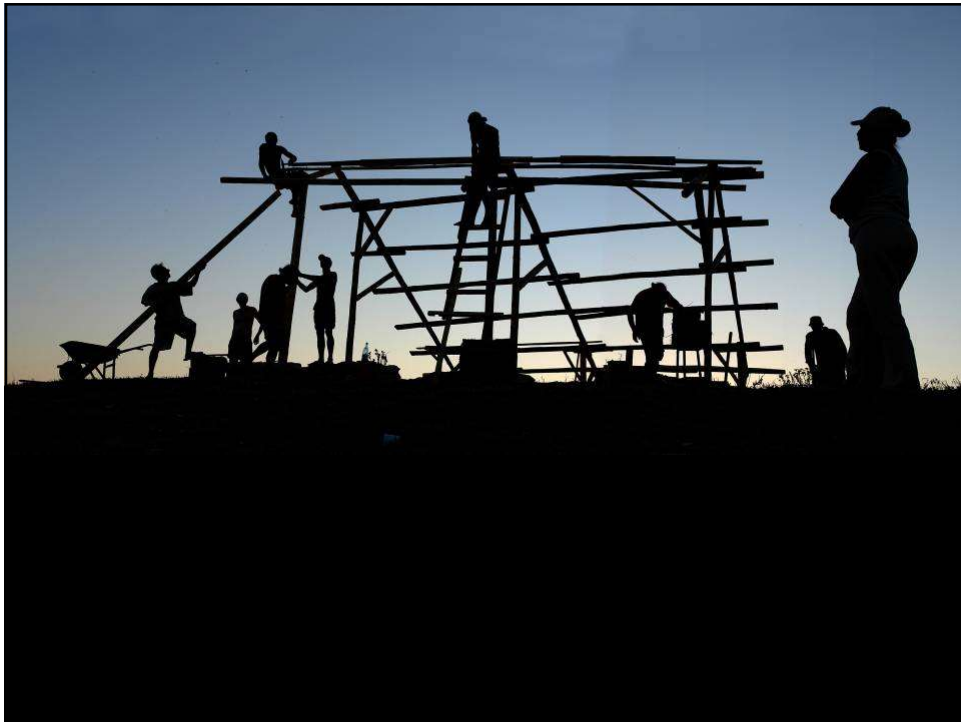

Catalin BERESCU  
卡塔林

**Adobe / Earth 2006-2010**

- 7-8 people, two weeks
- no electricity, no running water
- 6 km away from the next village

The backside of a traditional Roma community near Bucharest

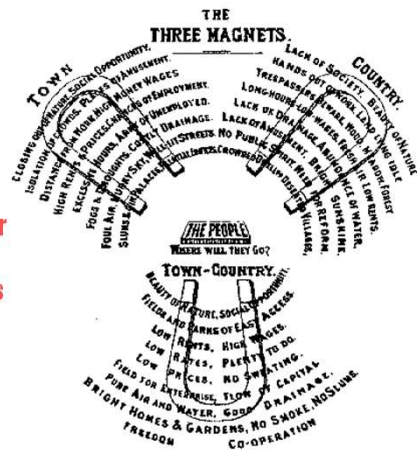

recycle, zero km, zero impact, carbon neutral, recycling, circular

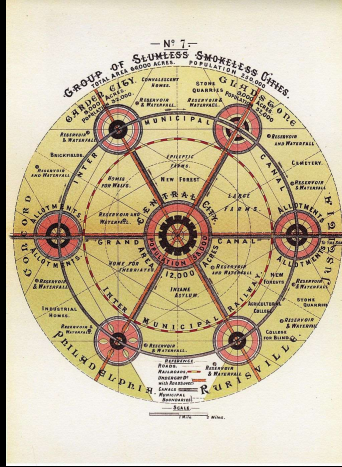

Green & Space  
Green & Space

Green & Space  
Green & Space

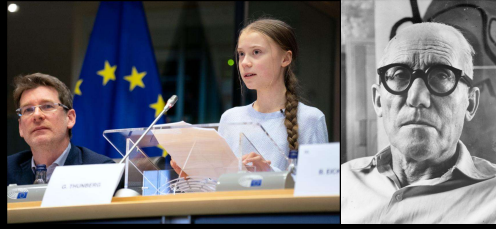

- the trivial nature of the subject matter
- doctrines, ideology, salvation, jargon
- symmetry, anti-symmetry & dialectics
- nature vs. urban / urban vs. rural
- non-intersection and conflict
- are there opposite attributes?

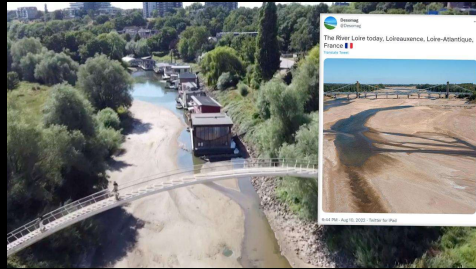

### The Garden Cities of Tomorrow

### who is green?

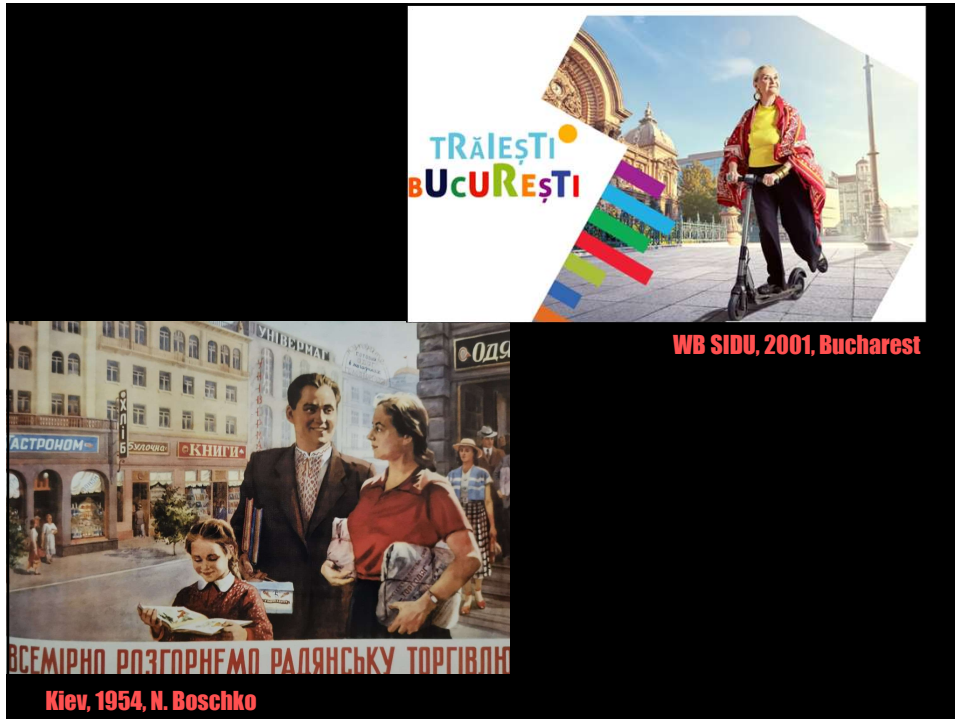

### when is green?

Toronto

### Enspacement of green

# Green Space

- **Is contemporary green a byproduct of contemporary urban space?**
- **Who owns the green space?**
- **Who is supposed to do the planning for sustainable, green, climate resilient, zero-carbon emission, 15 minutes city?**

**Thank you!**  
**Muțumesc!**  
谢谢
